

**4th ANNUAL
PORT WASHINGTON RENDEZVOUS
YOUR FALL DESTINATION FOR 2009**

PORT WASHINGTON YC SATURDAY SEPTEMBER 5, 2009

With a great fall breeze last year, the 3rd Annual Port Washington Rendezvous was an even bigger success and continues to grow. This unique event is now a must for sailors throughout the area seeking some great fall racing fun. With more than 35 boats last year this fun regatta has put the Port Washington YC on the map as “the fall destination” for all levels of racers seeking a fun and educational experience on the water.

The Port Rendezvous became a reality in 2006 with an idea floated by fleet members of the Sheboygan and South Shore Yacht Clubs who for years had been sharing a distance race finishing either in Sheboygan or Milwaukee with a combined party at the end. The new idea, of course, was for the clubs to race Friday night, finish in Port Washington and commence some fun racing between the two clubs the following day. The event has now grown and has five yacht clubs providing support, equipment, Race Committee volunteers, scoring assistance, awards and a great party. With this unique sponsorship type event we hope to continue to promote club PHRF racing that is currently free of entry fees.
