

Catch the Centennial Spirit!

Racine Yacht Club members can become a permanent part of the Club's next century of history and heritage during this year's Centennial celebration. There are three easy and affordable ways to participate that will not only secure your place in Club history, but help the Club launch its next century of friendship, fellowship,

and service to the community. Proceeds from these fund raisers will be used for improvements to the Club grounds or saved in anticipation of future needs.

Set your Centennial course by selecting one or more of the following programs:

Become a Centennial Captain

Becoming a Centennial Captain is the ultimate way to be involved in the RYC Centennial and leave your mark on the Club for years to come. Members choosing to be a Centennial Captain will be recognized throughout the Centennial celebration and receive one tile for the Centennial Community Wall display, one 4" X 8" engraved paver, a 10% discount on Centennial apparel and Club merchandise for a year. They are also included in an exclusive monthly Centennial Captain drawing for \$50 in Club spending credit. The cost is \$300 and can be paid as a single payment or by having \$25 added to your monthly Club charges. Centennial Captains may upgrade their paver order for the difference between the basic 4" X 8" paver and the size they choose (6" x 12" add \$40, 12" X 12" add \$80).
