Waiver and Acknowledgment

PARENT OR GUARDIAN OF YOUTH SAILOR PLEASE READ and ACKNOWLEDGE BELOW: I understand and certify that my child's participation in the RYCYF sailing camp is completely voluntary. I understand that certain hazards and dangers are inherent in sailing camp and water sports, and I acknowledge that although the program has taken measures to minimize the risk of injury to participants, there is no way to guarantee that the activities will be free of accidents or injuries.

I understand that the Emergency Contacts I listed on this registration will be contacted in the event my participant requires medical attention. In the event the Emergency Contacts cannot be reached in an Emergency situation, I hereby give permission to the attending physician secured by the Racine Yacht Club (and RYCYF) to hospitalize, secure proper treatment for, and to order injections, anesthesia, or surgery for my child.

By indicating your acceptance, you understand, agree, warrant and covenant as follows: Racine Yacht Club Youth Foundation, the Racine Yacht Club and any other associated groups, their officers, members or associates, appointed or volunteer, do not accept any liability for loss of life or property, personal injury or damage caused or rising out of any activity engaged in during the season for any reason whatsoever. By participating in these water based recreation programs, I am knowledgeable of the inherent risk in the sport. I also agree to assume the risks for myself and agree to hold the Racine Yacht Club Youth Foundation, the Racine Yacht Club and any other associated groups, its officers, employees and volunteers harmless and free of any liability for damage or injury that may incur from these activities. SAILING CAMP YOUTH & PARENTAL RESPONSIBILITIES

Safety is a key aspect of all sailing programs at the Racine Yacht Club.

Parents please review the following with your Youth Sailor.

Youth sailors should have for camp each day:

- For the ALL DAY CLASSES (9 am-3:30 pm) SAILOR MUST BRING A LUNCH
- Be dressed in comfortable clothes for sailing. Cotton is a poor choice as it absorbs water and does not provide warmth.
- Closed toed shoes must be worn at all times. Swimming shoes are acceptable. No flip flops, sandals, or bare feet at ANY time.
- A windbreaker, change of dry clothes and a towel.
- Sunglasses and sunblock, as the effect of sunlight is greatly increased on the water.
- Refillable water bottle, to stay hydrated throughout the day.
- A whistle to be worn on the PFD, this is a safety MUST.
- Sailing gloves are recommended, but optional.

Safety

- PFD (Personal Floatation Device) must be worn at ALL times while on the dock or on the water.
- No running or horseplay on docks, in the dry sail areas or in the parking lot.
- Campers are NOT to leave the dock until the safety boat departs from the dock.
- All sailors will use reasonable care when operating their boat. Deliberate contact between boats will not be tolerated.
- Any injuries must be reported to the sailing instructors.
- Sailing instructors will not and cannot dispense any medication to any student at any time.

Safety on the Water

- Boats are not to stray from the practice area.
- Students should never leave their boats even if capsized, unless expressly instructed to do so.
- Weather: before each class the instructors will review weather conditions to include real time radar and wind forecasts for the area (via Milwaukee MKW Nexrad and other sources).
- Optimists will not leave harbor if sustained winds are over 15 knots or gusts are over 20 knots, and will not sail if sustained winds are over 20 knots. When conditions are in doubt, we will not go out.
- Campers who choose not to participate in an on the water activity may stay on shore ONLY if there is an adult to supervise them.

Expected Behavior

- All participants will be respectful to the instructors and fellow sailors at all times.
- Behavior problems will require a meeting between the youth participants, the parents, and the sailing instructor(s). If a second meeting is required, the program director will be included. There will be no third meeting and there are no refunds.

Parents

- Parental participation is encouraged! We value your ideas and suggestions. Those suggestions are best made either 15 minutes before the class starts or when all students have left the area.
- We cannot run the best possible program if students are tardy. PLEASE make sure your camper is dressed and in their PFD, ready to participate five minutes before class starts.
- Late drop-off or pick up? Everybody runs late sometimes. Running late? The first one's on us. Beyond that there is a \$10 charge which you can pay directly to the sailing instructors for their lunch or dinner.
- You may be invited on the chase boat if weather and the activity are appropriate. Here's how you should act:
 - Do not talk to your child from the boat without the express permission of the instructor.
 - You MUST wear a PFD
 - You must have the appropriate footwear. Non-marking soles, boat or deck shoes are required. No open shoes.

I hereby release the Racine Yacht Club, Its Board of Directors, Agents, Servants and Employees from liability for accident or Injury which may occur as a result of my participation In Sailing Camp and related events on or off the Racine Yacht Club premises.

I acknowledge that my participation in Sailing Camp or related events is voluntary on my part and that as part of my participation I will be on the waters of Lake Michigan and other waters. I acknowledge that I will be responsible for my own safety and that there are risks incident to my participation in Sailing Camp and other events which I am willing to accept.

I agree that I will abide by and follow the Instructions of my supervisors / instructors. I agree that I will be responsible for attending classes and be prepared to participate by having the appropriate clothing and other equipment.

I am unaware of any health conditions which would limit my participation in Sailing Camp or other related events or activities.
