COMMODORE'S REPORT

I hope this newsletter finds you well and enjoying the splendid end of summer breezes out on the water. As we sail through the final stretch of this summer season, I hope to see you on the water or the patio.

Please note the Red Harbor Entrance light is out, proceed with caution if you are out at night. The City of Racine along with Bohm Electric is planning on replacing all of the units with new lights. This should be done in a timely manner. Please let me know if you see any other lights that are not working.

Check the E-Blast for specific details about what's happening at RYC on Labor Day Weekend. There is food, music, and the Adult Family Sail Cruise group has a day sail to Kenosha planned on Sept. 2nd.

We had another successful year for our Youth Sailing Program. Over 100 slots were filled with kids learning to sail, advanced kids, and those who raced. We appreciate Mike Freitag & Jacqueline Sieracki dedication on the Youth Race Committee, thank you! We also had 75 kids from the Racine City Parks program experience sailing, kayaking, and canoeing. The momentum continues as Fall approaches. Lincoln Lewis is registered for the 2023 Optimist Midwest Championship in Lake Pewaukee September 9th. Good Luck Lincoln! I also appreciate the special coaching he is getting from Ethan Lewis.

Another Racine Regatta is in the books. Wild and windy conditions, with confused seas made for an interesting race. I'd like to thank all who participated. There is still plenty of

dedication and commitment.

The Golden Rule Sailboat is a storied sailboat that helped bring about an end to atmospheric testing of nuclear weapons. The boat will be at Reefpoint Marina on September 5 & 6th.

## **RYC News in Brief**

### **RECORDING SECRETARY:**

Laurie Hennig

The minutes of the July 13, 2023 board meeting approved as written/corrected.

### **TREASURER'S REPORT:**

Greg Miller

#### Financial Results

July was another month where expenses were greater than revenue, as expected. Our variance to budget was (-\$8,700) of which \$8,200 is explained by the POS investment.

YTD we are still \$42,000 above budget and \$20,000 above the same time last year. We also paid for the Wisconsin Badger Game tickets at a cost of \$4,000, but this will be paid for with the cost of the tickets.

#### August 4th Water Levels

Lake Michigan is unchanged versus a month ago. We are -5 inches vs. one year ago and +4 inches vs. the long-term average. The lake is forecasted decrease one inch over the next month.

Respectfully submitted,  
Greg Miller

### **COMMODORE'S REPORT:**

Amy Cermak

Congratulations to Sean and Grace Fox on the birth of their baby girl, Piper Joan Fox!

Thanks to all who participated in the Racine Regatta. It was a wild and windy weekend of racing.

The flowers and the Club yard are looking beautiful. Improvements continue, Kai Cruthers will be painting the fence.

A plan is in process for an outside security system.

I received a letter from a sail boat that was cruising around during the start of the HOOK race. He was upset that our Judges boat yelled at him to get off of the race course. I observed the cruising boat, and noted that he was leeward of all of the boats, in an area that no racing boat would go. I feel that non racing boats should be courteous and respectful of the racers and RYC is reminded that they and HOOK don't own the lake.

Respectfully submitted,  
Commodore Amy

### **OFFICE MANAGER'S REPORT:**

Kim Shortess

Kim Shortess and Deanna Pederson will be coming up with a plan to address the past due accounts, and possibly on new membership applications adding ACH information for payments to the Club on a timely basis.

The POS system has arrived and we are currently downloading all of the data.

**VICE COMMODORE'S REPORT:**

I want to give a big thank you to Jim Rooney Jr for fixing the patio lights after the wind storm we had a few weeks ago.

Look for work or pay opportunities coming up. We will be continuing the cleanout and organization of the Richter building, West storage area, and dry sail area prior to season end and haul out. Haul out date has been tentatively set for October 14th. We are scheduling the yard and dock day for September 30th with an alternate date as October 7th.

Due to recent unauthorized access to the pier and boats, we are asking everyone to use good judgement with regards to securing your boats and safeguarding your valuables. We are working on measures to deter this kind of thing in the future. If you see anything suspicious, please let Kim know or contact the police If needed. We are also looking at Side Slipping and possibly implementing some fees for this for next year.

I want to say a big thank you to all the members that volunteered to help with this year's RYC Regatta.
